

Summer Job/Fellowship

Park Fellows Program Summer 2008

IT'S YOUR NATURE, IT'S YOUR FUTURE

The Department of Conservation and Recreation (DCR) is seeking a select group of 10 qualified and motivated college students eager to explore their interest in park management and operations through a summer of work and learning.

PARK FELLOWS PROGRAM:

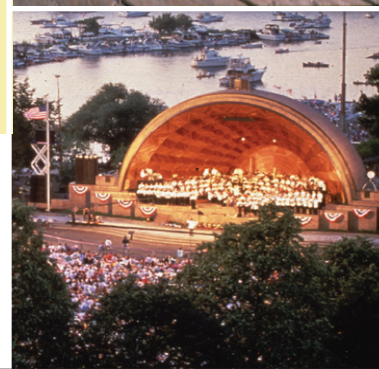

- Twelve week program with rotations completed at different sites with a variety of work experiences
- A DCR mentor assigned to each Fellow
- An orientation and mid-term gathering of all Fellows for shared learning and project planning
- Park Fellow special projects, developed by each Fellow
- Both work and study in the park system in the following areas:
 - *Operational overview of the Massachusetts DCR Park System*

- *Natural resources management*
- *Partnerships vital for building robust park programs*
- *Interpretive programs essential for connecting the public to our parks*
- *In depth look into facility management*
- Hourly wage paid for work in the park system

- **Applications Due** by April 18, 2008
- Early applications will be considered for rolling acceptance
- **Letter of recommendation** from faculty required
- Notification of Acceptance by May 2, 2008
- Fellowship begins with orientation on June 2, 2008
- Fellowship ends on August 22nd with a presentation by each Park Fellow of a special project followed by a graduation ceremony
- Fellows are expected to supply own transportation

For more information contact Jody Hensley at 508-725-5505 or email at: jhensley@umassp.edu or Bill Dunham at William.Dunham@state.ma.us or 617-626-1258. Download applications at: <http://www.umdi-solutions.com/fellows/forms.htm>

DCR is an Equal Opportunity/Affirmative Action Employer. Females, minorities, veterans, and persons with disabilities are strongly encouraged to apply.
